

# I Love My Teacher!

I have a home  
Away from home  
In classroom 103.

Where teacher smiles  
And makes me feel so  
Happy to be ME.

She says being different  
Is like gold  
It adds worth to her day.

She says we all  
Are special  
In our own individual way.

Today when I  
Get home from school  
I'll draw her my best art.

And give her this poem  
Just to say  
"I've loved you from the start."
